Dear Mr. Diamond:

On behalf of the American Cancer Society, I would like to personally thank you and everyone at Bucks County V.E.T.S. for your dedication and commitment to the fight against cancer. We are extremely grateful for your support of our organization, specifically through the Relay For Life of Doylestown.

We were honored to recognize Bucks County V.E.T.S. as one of our top event sponsors this year and because of your generosity, this American Cancer Society signature activity was able to raise more than \$18,000 to benefit programs in cancer research, education, advocacy and patient services.

More than 96 community members, on 11 teams, including 32 cancer survivors, came together to:

- Celebrate the lives of cancer survivors
- Remember those who have lost the battle
- Be inspired by friends, new and old
- Connect with our community
- Support those in the midst of their fight
- Do their part in the fight against cancer

Relay For Life represents, "...the **hope** that those lost to cancer will **never be forgotten**, that those who face cancer will be supported and that one day **cancer will be eliminated.**"

Thank you again for being an integral part of the Relay For Life of Doylestown and for your continued support. Have a happy and healthy summer and we look forward to partnering with you again next year as we continue winning the fight against cancer.

With sincere gratitude,
